

The California State University, The California Community Colleges, and
The University of California are pleased to announce the

2017 CALIFORNIA HIGHER EDUCATION COLLABORATIVE CONFERENCE

CALL FOR SESSIONS

Please join your colleagues from the CSU, CCC, and UC systems as we celebrate, share best practices and challenge one another to continuously improve. This year, we are breaking down some of our own traditional silos; we invite subject matter experts from a wide variety of campus and cross-campus operations to submit for any of our session tracks. Our track titles below are designed to highlight your achievements (or work well underway), regardless of your home department or area of expertise.

We are now accepting proposals for this year's conference at the beautiful University of California, Irvine campus. Please plan to attend our welcome reception in the evening on Monday October 23. We will get started at breakfast on October 24. A variety of 1-day workshops and "affinity" meetings will be held on October 25. Please send an email to info@uknowledgeshare.com by July 28, 2017 if you would like to host an affinity meeting focused on topical matters. In the past, such meetings dealt with Clery Act compliance, campus smoking policies, etc.

This conference convenes administrative leaders and professionals from the three segments of California public higher education, to encourage the exchange of ideas and practices, which may improve administrative performance, service, and outcomes.

Session Themes:

- **INNOVATION**
- **COLLABORATION**
- **EFFICIENCY**
- **SERVICE-ORIENTATED STRATEGY**

Last year's conference at CSU Sacramento was a spectacular event, with attendees participating in a wide range of topics covering advocacy and communications, leading through change, and strategic procurement. This year, we are once again looking for interactive, innovative, and well-rounded speakers who are passionate about their work and ready to share lessons learned and best practices! Session space is limited and we're on the lookout for inspired, stimulating, and informative sessions that set themselves apart. Please keep in mind that we will select 20 sessions in total and each session will be 60 minutes long.

California State University | California Community Colleges | University of California

SUBMITTAL INFORMATION

DEADLINE - JULY 28, 2017

IMPORTANT DATES & INFORMATION

- Call for Sessions Opens: May 3, 2017
